Critical Care Program Sponsorship

Are you a Registered
Nurse interested in
**CRITICAL CARE
NURSING?**

Do you aspire to be part of a multidisciplinary team focused on providing one-on-one care to some of our most seriously ill patients? **Critical care nursing may be for you!**

The Saskatchewan Health Authority is currently accepting applications from Registered Nurses for enrollment in the Saskatchewan Polytechnic Critical Care Nursing Program!

As a RN CCNP student, you will be enrolled in the 11-week fast track course delivery option.

If selected for sponsorship, we will cover the costs of the program (tuition, books, fees, etc).

Sponsored employees are required to sign a return for service agreement in Critical Care with the Saskatchewan Health Authority.
