

HOW TO USE THE FOOD ASSET MAP

FOOD RESOURCES IN YORKTON

How does it work?
(On a computer)

Step 1: Enter the following link
<https://www.google.com/maps/d/viewer?mid=1qH5slcW7aC1aDexPSGPU53vtIMqP9Q&usp=sharing> in your web browser (e.g. Google Chrome, Explorer).

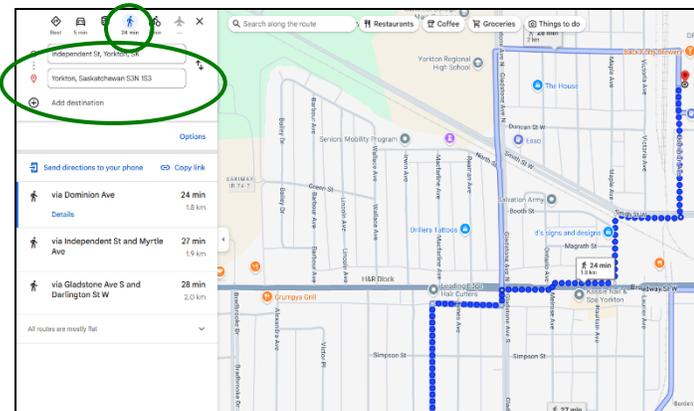

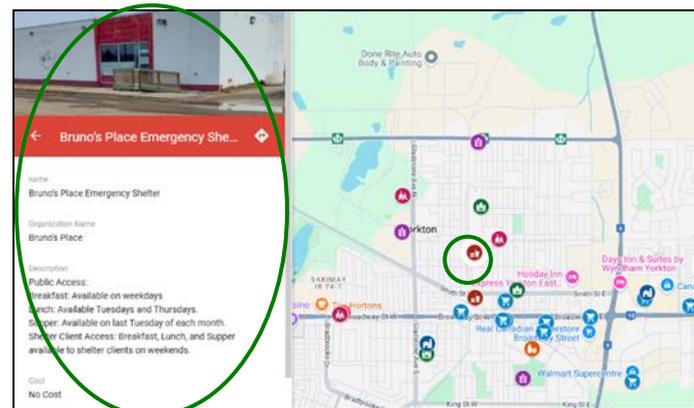

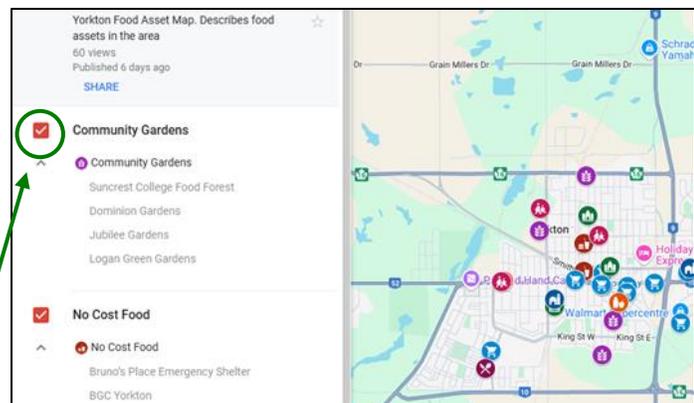

Step 2: A Google Map will pop up. Click on the boxes along the left hand side to narrow your search (e.g. by cost, community fridge and pantry, retail stores and markets, etc.).

Step 3: Click on the markers on the map to find out more details about the programs and organizations (e.g. address, description, cost, contact information, etc.). Detailed information will pop up on the left hand side of the map.

Step 4: To change your search, deselect the checkboxes on the left hand side of the map and select a new category (e.g. community fridge and pantry).

Step 5: Choose a service that is right for you, your family, or the person you are working with. To get directions to that organization from where you are, click on the arrow button to the right of the organization name and enter your location in the top bar. You can view options for walking, biking, or by car.

Note: These are the instructions for using the map on a computer. Steps will be slightly different for using the map on a cell phone.
